- STAR – 6 week course starting June we cover a series of topics helping people to address their struggles with any addiction, destructive habit or compulsive behaviour. Each of the six topics enable participants to explore different stages of their recovery path, to move toward a place of freedom.The course has a holistic approach, considering the Body, Spirit and Mind with sections focused on these three different areas.
- BOOST BAG USUALLY the second Sunday of the month Boost Bag collection – Tins and cash very welcome
(see list given the week before)
- Community events – for the area and for anyone we would like to invite along – support as much as you can – as this is in order to connect and be present with Gods presence in the community we love and serve
- Church Socials – we believe our Church family all come together on Sunday and our relationships build in Grace groups / 2/3's prayer times and in social times together – picnics/trips to the hills and this time an iron works – building relationships across generations and nationalities, gender and backgrounds – love these times!
